COLLECTION OF COINS

OF THE LATE

JOSEPH H. ALLEN

FOR SALE BY

HENRY E. DUCKER,

ALBANY, N. Y.

ALBANY, N. Y.:
J. B. LYON COMPANY, PRINTERS.
1901.

In offering to the coin collectors of the United States the collection of coins of the late Joseph H. Allen, of Albany, N. Y., I desire to call your attention to the excellent condition of the coins, it being Mr. Allen's ambition to have none but the best, and to possess quality rather than quantity. In describing the coins, where the words "fine and bold" are used it is to be understood that those coins are practically new, in other words, their markings are as good as those of a new coin, but the bloom has gone and there may be a very slight wear, which is imperceptible. Those described as "fine" are worn a little, not enough to mar the markings, The other descriptions fit the coins so that we think they are easily understood. It is proposed to sell the coins to the highest bidder, and bids will be received up to and including August 20, 1901, at which time the bids will be opened and the sale will be announced not later than September 1st. Bidders are requested to make a sealed proposal, putting their bids in a blank envelope marked, "Proposals for coin collection of the late Joseph H. Allen," and enclosed in an envelope addressed to Henry E. Ducker, 15 Lancaster street, Albany, N. Y.

Bids will be received for each collection and awarded accordingly.

Collection No. 1 comprises all the United States coins, silver, gold, copper, nickel and paper.

Collection No. 2 is odd United States coins.

Collection No. 3, foreign coins.

The highest bidder will be allowed to examine the coins, if desired, before taking them, and if not as represented the bid will be declared void, should the bidder so desire.

Parties wishing further information may obtain same by addressing Henry E. Ducker, 15 Lancaster street, Albany, N. Y.
